### **Item Number: 10TNF**

None of our competitors can surpass the superb accuracy and reliability of the ArmaLite AR10(T). No other manufacturer in the industry dedicates itself to the advancement of target autoloading rifle technology like we do. Nobody.

From enhanced reliability of feeding, extraction and ejection to assuring consistency of cyclic rate, ArmaLite's engineering team continues the company tradition of ground-breaking innovations in the AR design.

The ArmaLite AR-10 rifle line is noteworthy for the fit, finish and beauty of its components as well as its accuracy and reliability.

AWB configured to suit Ban State requirements.

**10TNF-2, 10TBNF-2, 10TNF-NJ, 10TBNF-NJ**
